15 100m²

Construction period
2 years 1 month

Start work
05-2016

End of work
06-2018

For the police zone Limburg Region Capital, we designed and built the new police station by order of AGB Stadsontwikkeling Hasselt. The new building is divided into three zones: a parking building, an intermediate zone containing a shooting range, an arresting officer complex and supporting functions, and the offices at the head of the building. The office volume has five floors. The new commissariat is part of the Campus H security site and was completed over a month earlier than planned. W-Care is responsible for the 20-year maintenance.
