The Deltaview residence is part of the large-scale development of the 'Delta Ouest' site, which is located along Triomflaan in Auderghem, opposite the ULB site. The development consists of a residential part and student accommodation. The base of the residential project, from which the two towers will rise, curves along the Boulevard du Triomphe. The largest tower has 23 floors, offering a magnificent view of the surroundings, from the Forêt de Soignes to the centre of Brussels. Underneath this ambitious residential project is a five-storey underground car park.
