Engineering Office

LingK

Surface area above ground

2 160m²

Construction period

8 months

Start work

04-2017

End of work

12-2017

On an 8,700 m² site in the Veedijk industrial zone, we built new offices, a warehouse and a production area for Tokheim Solutions. All together amounting to 2,160 m². From this new site, some 170 people are responsible for sales, installation and service of Tokheim and Kärcher products.

Tokheim is specialized in the development and maintenance of gas stations.
