De Smet-Vermeulen Architecten

Temporary partnership
Willemen General Contractor, Democo

Construction period
4 years 7 months

Start work
12-2014

End of work
07-2019

In Ostend, we proved that PPP and DBFM formulas are made for us. On the site of the former Bootsman Jonsen naval barracks, we built a residential project with 104 flats and 2 commercial spaces in close collaboration with the city of Ostend. The new police station of Ostend was also built on the same site.
